Dear Rhode Island Turkey Hunters,

Turkeys are gobbling, and as we approach the start of the spring turkey season, we are sending a friendly reminder to ensure you're all set for the hunt. If you haven't done so, please buy turkey tags before the season begins.

By purchasing your tags ahead of time, you can avoid any last-minute complications and ensure you're compliant with state regulations so you can enjoy the season with peace of mind.

**SPRING TURKEY
SEASON**

Regular season

April 24 - May 18, 2025

BAG LIMIT:

2 bearded turkeys (only 1 may be taken on state lands)

Youth season

April 14 - 20, 2025

Paraplegic

April 19 - 20, 2025

TAG PURCHASE:

Available at rio.ri.gov or [authorized vendors](#).

IMPORTANT REMINDER:

A [valid hunting license](#) is required for all hunters, and tags are required for each turkey harvested.

Reminder: An update to Hunting Regulations ([250-RICR- 60-00-9](#)) will expand the opportunity for turkey hunters by allowing hunters to use crossbows as a method of take during the spring turkey hunting season.

For additional information on turkey hunting and turkey hunting regulations, please see the [2024-2025 Hunting & Trapping Regulations Guide](#).

Wishing you a safe and successful season!

Best regards,
