South County Rod and Gun Club

Range Rules for Patterning Shotguns

There is a fifty-yard shotgun patterning area on the left side of the Skeet range.

You must bring your own paper or cardboard to patterning on.

Your shooting position will be at the second station of the Skeet Range.

There is a frame on which to affix your target.

Do not place target on the wooden uprights!

Use tape or your own clips to hold your target.

Use Shot only!

Do not use Slugs!

Dispose of you targets in the dumpster next to the garage.

Do not leave them on the target frame or on the ground.

If the Skeet range is in use on Sunday mornings between 9:00AM and 12:00PM

You must wait until they are finished.

If the target frame is shot up or destroyed or the is trash left around, this area may be eliminated.
